1. Phone your previous *provincial insurance carrier* to obtain a **driver abstract** and insurance **claims experience** letter. Note that if you were previously insured with a private insurance company you should contact your prior brokerage. These documents are required *before* Alberta insurance can be put in force.
2. Obtain an insurance quote from an All Insurance office, give us a call so we know to expect documents from you. Email or Fax are both acceptable
3. At our Registries office:

 - b. Request an Out-of-Province Inspection form.
4. We can complete an application of insurance for you, after giving you a quote; the process is definitely a little easier if you have an Alberta Driver's License, but if you haven't obtained it yet, we can still insure you.
